A Plan of Correction (POC) must be submitted. The POC must relate to the care of all patients and prevent such occurrences in the future. The intended completion dates and the mechanism(s) established to assure ongoing compliance must be included. Monitoring visits may be imposed to ensure on-going compliance with regulatory requirements. The findings and conclusions of any investigation by the Health Division shall not be construed as prohibiting any criminal or civil investigations, actions or other claims for relief that may be available to any party under applicable federal, state or local laws.
